RUSSELL WICKS
Who died 1 year ago
May 20, 1967

They say time heals all sorrows,
And helps one to forget.
But time so far has only proved,
How much we miss you yet.
No morning dawns, no night returns
But that we think of you.
Those left behind are very dear,
But none replaces you.
Since you are gone it's not the same,
The world is dark and bare,
We miss you every place we look,
And you just aren't there.
God gave us strength to fight it;
Courage to bear the blow,
But what it meant to lose you
No one will ever know.
